Triple P Seminar: Raising Resilient Children
Monday, February 26
6:00 pm - 8:00 pm
At Didsbury Neighborhood Place

One of the most important task of parenthood is helping children learn to deal with their emotions. All children experience periods of stress in their lives and need the emotional skills to deal with it. In this seminar we will provide some ideas on how to help children (0-12 years) become emotionally resilient.
